ADITYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT

Sri Aditya Educational Society (ESTD-2000) started a Technical Institution to impart the highest quality and standards in the north coastal A.P. under the aegis of eminent academicians, educationists, and professionals in the name of Aditya Institute of Technology and Management in 2001.

Aditya Institute of Technology and Management is located at K. Kotturu, Tekkali, Srikakulam District, Andhra Pradesh. It is located in an extent of 50 acres of clean, green, and serene area. The institute has the beauty of modern-day Gurukul. It is situated on the banks of the river Vamsadhara at a short distance and has the sea at an hour's journey. The institute is provided with an enjoyable coastal climate.

The college is marching ahead under the able guidance of Chairman Rtn (PHF) Dr. K. Someswara Rao who is a paediatrician by profession and committed to social service with a special reference to technical education with unstinted support from Secretary Sri. L.L. Naidu, Director Prof. V.V. Nageswara Rao, and other members of the Sri Aditya Educational Society.

Aditya Institute of Technology and Management currently offers 7 UG programs in the disciplines of ECE, CSE,CSE(AI&M), IT, EEE, CE, and MECH, a P.G program in MBA, and6 disciplines of M. Tech. The total sanctioned intake per year is 960 in B. Tech programs, 60 in MBA, and 60 in M. Tech.

The Aditya Institute of Technology and Management is rated as one of the best self-financing colleges in the north coastal Andhra Pradesh as it sets up the highest standards in all areas of curricular, co-curricular, and extra-curricular activities and in students' placements. The seats have been filled in all the branches every academic year is evidence that the college has got a reputation in the field of technical education. The college is affiliated with JNTU Kakinada and hence follows the curricula prescribed by the Boards of Studies of the affiliating university. Based on industry and student feedback, the college faculties interact with the university in updating the curriculum from time to time. The college offers some value-added courses to its students apart from the curriculum prescribed by the university.

The success of the college is due to its well-qualified faculty (out of 234 total faculty members 79 have Ph. Ds, 155 have PG qualifications with 56 having registered for Ph. D and 5 submitted their thesis) and several of them with rich experience in higher institutes of learning nation-wide. The senior faculty members always guide the junior faculty in honing their teaching and research skills. The progress of each course in every semester is closely monitored by a class committee that includes representatives of students. Electronic Digital Examination Process System for the end semester examination and online internal examination system are salient features of the evaluation system followed.

The college encourages its faculty to pursue further research consultancy and extension activities apart from teaching. The college motivates its faculty to continue their research work. As a result, 56 of the faculty members are currently registered for Ph.D. in various universities. The research work is being carried out by the faculty has resulted in the publication of 147 papers in journals and conferences during the last 6 years. The faculty and students of the college take

part in extension activities by conducting short-term courses and participating in rural development work in neighbouring villages in collaboration with reputed social organizations. For its social service, the college has been awarded the prestigious gold medal from the Hon'ble Governor of Andhra Pradesh.

The college has a total built-up area of 25,349 Sq.km with 49 classrooms, 3 seminar halls of different sizes, and 74 laboratories. The current annual budget of the college is of the order of about Rs.1,757.69 lakhs. The College Library has about 30,457 volumes of books and has also a Digital Library with 200 journals as hard copies and 450 journals online. All the laboratories are provided with the state of art equipment namely computer labs, internet centre, language lab, and digital library. The college has 125 KVA, 24 hours power supply from A.P. State Electricity Board. Besides this, the college has three generators with a capacity of 325 KVA, 125 KVA,d 62 KVA with 30 UPS of a total capacity of 143.5 KVA to ensure uninterrupted power supply for smooth functioning of all routine academic activities. Hostel accommodation is available for about 370 boys and 188 girls in separate hostels. Sports facilities are available with playfields for all major games and sports spread over an area of about 5 acres.

The pass percentage has been consistently around 75% right from the inception of the college with some university ranks. The placement record for the previous three years has been laudable about 70% of eligible candidates get placed in various campus recruitment drives. The institute is always quality conscious and got NBA Accreditation for three programs in 2009 and NAAC Accreditation in 2011. Its commitment to quality and growth enabled AITAM to become a TEQIP funded institution, in Andhra Pradesh in 2011.

The management provides whole-hearted support for the improvement of the college in all aspects. About 90 lakhs of rupees are allotted every year for augmenting/modernizing the equipment to pursue M. Tech, Ph. D. works by giving them study leaves and financial assistance. The Institute will demonstrate excellence by our people, programs, and outcomes, as well as by the quality of decisions and actions recognized through awards and honours. This Quest for Excellence started with the assessment or even earlier, by the establishment of the Internal Quality Assurance Cell (IQ) on the campus.

(vi) Integrity

Integrity involves honesty and fairness, consistency in instruction, ethics of scholarship, freedom of inquiry, and open and truthful engagement with the community through effective communication, policies, and practices. The vision articulates our future direction. The mission specifies our purpose of existence. The values assert our beliefs that guide our actions and behaviour. Taken together, they provide a road map to our destination.
