The main aim of this FDP on Intelligent Computing in Data Sciences is to promote new research purposes and advances in the theme of computational intelligence to analyzing, exploring and learning from large amounts of data. It is becoming increasingly important to develop adaptive, intelligent computing-centric, energy-aware, secure and privacy-aware systems in high-performance Intelligent computing and IoT applications. The FDP will provide a platform for researchers, engineers, academics and industrial professionals around the country to showcase their recent research concerning recent trends. Discussing novel ideas and stimulating interesting discussions, the programme appeals to researchers and practitioners working in the field of information technology, computer science and other allied Engineering branches.

ABOUT THE
FDP

ABOUT THE
DEPARTMENT

Aditya Institute of Technology and Management established the department of Computer Science & Engineering (CSE) in 2001 with an initial intake of 60 students, enhanced by 30 seats in 2006-07, further enhanced by 30 seats in 2007-08, and got approval for an additional intake of another 60 seats in 2012-13 and the total intake of B. Tech program reaches 180 seats. A Post Graduate program (M. Tech) in CSE was introduced in 2008-09 with an intake of 18 seats. The department is accredited by National Board of Accreditation (NBA) and NAAC. Both the B. Tech and M. Tech programs were duly approved by the AICTE and Govt. of A.P. and the institution is affiliated to JNTU-K. The department consists of highly qualified 35 faculties, out of which 8 faculties are having doctorate degree.

AITAM AT A GLANCE

Aditya Institute of Technology and Management is located at K. Kotturu, Tekkali, Srikakulam District, Andhra Pradesh. It is located in an extent of 50 acres of clean, green and serene area. The institute has the beauty of modern day Gurukul. It is situated on the banks of the river Vamsadhara at a short distance and having the sea at an hour's journey. The institute is provided with an enjoyable coastal climate. Aditya Institute of Technology and Management currently offer 6 U.G programs in the disciplines of ECE, CSE, IT, EEE, CE and MECH, P.G program in MBA, and 6 disciplines of M. Tech. The total sanctioned intake per year is 840 in B. Tech programmes, 60 in MBA and 90 in M. Tech. The institute is Recognized by UGC under Section 2(f) & 12(B) since 2011, 'A' Grade College by AP State Government Knowledge Mission and it is a TEQIP Phase-II (SC-1.1) (World Bank & MHRD, GoI Initiative) participated institute. It is an authorized technical skill development centre by AP state skill development Corporation, Govt. of A.P. in 2016 and is a Consortium Member in Indo-US Collaboration for Engineering Education (IUCEE). The Aditya Institute of Technology and Management is rated as one among the best self-financing colleges in the north coastal Andhra Pradesh as it sets up highest standards in all areas of curricular, co curricular and extracurricular activities and in students' placements. The vision of college is to evolve into a premier engineering institute in the country by continuously enhancing the range of our competencies, expanding the gamut of our activities and extending the frontiers of our operations.
