A BRIEF REPORT

A Two day Faculty development program on “**Intellectual Property Rights**” was conducted by Mechanical department on 15th & 16th November 2014. The resource persons were Dr. K. Ramji, AU, Visakhapatnam, Dr. K. Srikanth, NIT, Warangal, Dr. Ashok Pandey, IITH, Dr. Manish Shikhande, IITR. Intellectual Property Rights (IPR) is concerned with the protection of tangible and intangible property. The resource persons gave an opinion that IPR provides rewards and recognition to inventor/contributor for their research, designs, discoveries, inventions, etc. IPR protection plays a key role in gaining modest advantage in terms of technological gains for achieving higher economic growth in a market driven economy.

The main aim of faculty development program is to impart greater awareness about the issue of Intellectual Property Right (IPR), which has gained a special importance for all the domains of socio-economic development. It aid to understand of patentability criteria in details and viable aspect of the patent.

FDP HIGHLIGHTS:

1. Intellectual Property Rights and its protection through patents.
1. Basic understanding of the IPR
2. Overview of Indian Patent Act
3. Patentability criteria.
4. The process of granting patent
5. Commercial aspect of the patent
